“ I would just like to say that the food was amazing, I can honestly say it's the first of many meetings I have organised for the GKB CAC members, and it is the first time I haven't had one complaint and even received numerous compliments regarding the food. The staff at Hotel Clipper were friendly and so helpful, which also made my job so much easier. - Ali Hall ”

CLIPPER CAFÉ

A Cafe and Bar adjoins the conference venue for attendees convenience.

Serving a range of freshly prepared meals made daily on our premise, catering for breakfast, lunch, dinner and everything in between.
